

GOVT. COLLEGE FOR WOMEN, PARADE GROUND, JAMMU

Analysis of the Parents' feedback of the institution

A thorough analysis of the feedback amply reveals the perception of the parents of the students about the various academic and infrastructure parameters of the College.

1. Parents are fully satisfied with the curriculum offered under various programmes offered in the College.
2. Parents are pleased with the security systems like CCTV, Gate keepers put in place by the institution. They have expressed full satisfaction about the discipline maintained in the institution.
3. Certain issues about washrooms, availability of water for drinking and other purposes were raised by some parents.

Recommendations by the IQAC.

It is a matter of satisfaction that the parents of the students of the college have endorsed our efforts for maintaining a disciplined and secure campus.

As the issue about the washrooms and cleanliness of the institution has been raised by some parents the IQAC also feels strongly about the necessity for upgrading these facilities.
