It gives me great pride to welcome you to Government College for Women, Parade Ground, Jammu - an institution that has, for over seventy years, embodied academic distinction, cultural richness, and the transformative power of women's education. Established in 1953, our college has nurtured generations of women who have gone on to lead with integrity, contribute with intellect, and serve with compassion. We stand today not just as a college, but as a living legacy, committed to empowering women through rigorous scholarship, critical thinking, and values rooted in inclusivity and service. # College Profile

The farsighted vision of Maharani Tara Devi regarding the dissemination of education among women in Jammu culminated in the establishment of MAHARANI MAHILA College on June 1st, 1944. On 25th, November, 1953 the College was taken over by the Government of Jammu & Kashmir and renamed as Government College for Women, Parade Ground, Jammu. Originally envisioned to empower women through education, the college began with a limited scope, offering Arts courses.

However, its transformative journey has led it to evolve into a comprehensive institution offering a wide array of Undergraduate programs and Postgraduate programs. Over the span of more than seventy-seven years since its inception, the college has earned a prestigious reputation as a leading academic institution for women in Jammu & Kashmir.

In recognition of its Academic Excellence and progressive initiatives, the college was granted Autonomy and CPE (College with Potential for Excellence) status by the University Grants Commission (UGC) in 2014 and 2016 respectively. The college has been recognised in the National Institutional Ranking Framework (NIRF) 2024, securing a position within the 151-200 rank band among colleges in India. The institution's mission has expanded beyond academic excellence to pioneer technological driven high quality teaching and develop competencies to meet 21st century global standards, gain finesse in research, imbibe human values and to continue introduction and addition of courses commensurate with viability and marketability.

This vision underscores its commitment to be metamorphosed from an institution of learning to a centre of excellence by surpassing quantifiable standards in all areas of life.
